

## 3 MOST POPULAR EXPERIENCES IN SPAIN

Dear Guest,

Our vision is to offer you the best of Spain and to adapt to your tastes. You are different to other travelers and have your own preferences. We always respect that and help you in designing the best trip for you in Spain. I have analyzed which experiences have been most successful among subscribers.

You might have missed some of these experiences, so here goes a second chance to discover them. Go on reading and you will find below our 3 most popular experiences in Spain

“ P.S. Last August I went to la Tomatina and it was an amazing experience. So far I have already been to 5 out of 6 of the most popular festivals in Spain. I am only missing the Carnival of Tenerife. Maybe next year! Andalucia”

How would you like to go to sleep in your hotel and wake up at another place every day?

Welcome to the Palace on Wheels! The Al-Andalus train in Spain takes you on a luxurious tour across the wild Moors of Andalusia.

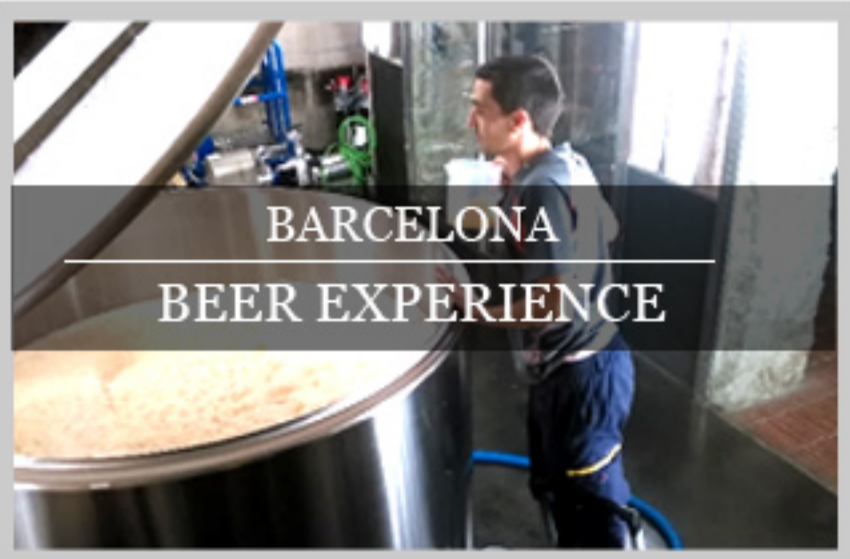

The rooms are spacious and elegantly decorated, equipped with all modern amenities for ensuring a comfortable journey; and yet taking nothing away from the original appearance of this historical train. A trip for 6 days and 5 nights will take you to the Alhambra of Granada, the Alcazar in Seville and the Mosque of Cordoba, among several other hidden treasures in this culturally rich country.

Go sailing, on a luxury yacht or sailing boat, across some of the most inaccessible and remote spots on the Spanish coast.

Explore the quaint little villages along the coast, indulge in the world famous cuisines and luxuriate while discovering the finer nuances of Spain's geography.

We can customize trips to Spain based on your wishes! Do you want to visit the Mediterranean Coast, the islands or the Atlantic Coast? Or how about a combination of all of them?

**Beer Tasting:** Taste several types of beers, from age old local favorites to all the nouveau craft beers of the country, escorted by a beer master.

**Cañas & Tapas tour:** A local tapas expert accompanies you, answering all your questions about the lip smacking snacks and beverages.

**Visit to the Moritz Factory:** A trip to Spain cannot be complete without visiting an authentic brewery. Taste the unpasteurized fresh Moritz beer, inspired from bars in North America, France and Germany, with subtle hints of Madrid, Galicia and, of course, Andalucía.

Beer was brought to Spain in the 19th century, and has quickly become the queen of local bars. Sip on a cold one on a hot day, celebrate football victories or mix it with tapas. On this trip you can three different, but equally fascinating experiences:
